2018 AJCA Master Breeder Recipient
Ron and I are truly honored and humbled by this award. Breeding Jerseys that have style to compete at the national level and also perform in the milk tank is our passion. It is also a great privilege to see the ones we've bred and sold excel with new owners. We look forward to seeing everyone this summer in Ohio during Annual Meetings.

Victories of Spring Our 2018 show season is off to a good start!
