Out of an E-93% MONEY dam that is a sister to "Dancer."

We have to give praise to our Arethusa Primetime DeJa Vu-ET, E-95%, she had three granddaughters and one great-granddaughter in the top six at Louisville! We purchased "Deja Vu" as a senior calf, as I wanted a daughter direct out of "Veronica." I told Ron she was the best heifer I had ever seen out of her. She has over 100 progeny to date. She helped me win Premier Breeder & Exhibitor several times over the years. She was an amazing cow and her progeny continues to prove it!
